

---

**DATE:** July 1, 2024

**TO:** All radioactive material license holders, radiation producing equipment permit holders, site registrants for generally licensed devices

**RE:** Update for Annual Fees for Fiscal Year 2025 (FY2025)

The enclosed invoice includes a fee increase effective July 1, 2024. The amount of the increase is 4.1%, which equals the annual rise in the U.S. Department of Labor Consumer Price Index.

This fee increase is authorized in Oklahoma's Radiation Management Rules, OAC 252:410-7-3(a)(5), to assist the Department of Environmental Quality (DEQ) in meeting rising costs of the environmental services and regulatory programs associated with licensing radioactive material usage and permitting radiation producing machines.

Questions regarding any increases in fees may be directed to Jennifer McAllister of the Radiation Management Section at (405) 702-5169.

Respectfully,

Keisha Cornelius  
Environmental Programs Manager  
Radiation Management Section  
Land Protection Division
